

Chemical Examiners' Laboratory
Toxicology Division Internship
Terms and Conditions

1. The internship is offered to students pursuing a degree, postgraduate study, or research in Chemistry (any branch), Biochemistry, or Forensic Sciences as per GO (P) No. 1699/2024/Home dated 21-06-24 of Government of Kerala.
2. The location of the internship programme will be the Chemical Examiners Laboratory, Thiruvananthapuram.
3. Applications should be submitted through the head of the educational institution or the student's research guide. Former students may also apply with reference of their former institution's head or research guide.
4. The maximum duration of the internship in the specified division shall be 3 months.
5. An interview panel appointed by the Chief Chemical Examiner will hold a preliminary interview with the candidate.
6. The department will select a maximum of 10 students at a time for all five divisions of the laboratory for internship.
7. The remaining candidates, if any, will be shortlisted for the next time.
8. A confirmation message of selection will be forwarded to the selected candidate via email.
9. Being a Forensic Laboratory, a police clearance certificate (PCC) issued by the concerned District Police Chief must be submitted to the Chief Chemical Examiner upon approval of the application.

The candidates from Kerala can apply for a PCC through the “POL app” run by Kerala police.

10. After the police verification is cleared, the selected candidates must remit an internship fee of ₹2000 per month (applicable for students from institutions outside Kerala) and ₹1000 per month (students from institutions within Kerala).
11. Students can apply for an internship of less than one month, but they should remit a minimum fee for one month.
12. Scheduled Caste/Scheduled Tribe candidates, or candidates with yellow or pink ration card families studying in Kerala institutions, are exempted from the fee.
13. Fee should be remitted through e-treasury under the head of account "0210-04-105-97-00-00-00-NV- Chemical Examiners Laboratory."
14. The date of joining for the internship will be informed to candidates via their personal email.
15. Candidates are required to submit an undertaking on a stamp paper worth ₹200
16. An internship certificate will be issued by the Chief Chemical Examiner upon the successful completion of the training.
17. The terms, conditions, and timeline of the internship programme may be subject to change at the discretion of the department or the government.
