Explanatory Note

(This does not form part of the notification, but is intended to indicate its general purport.)

As per the Kerala Chemical Examiner's Laboratory Service (Amendment) Special Rules, 2018, issued under G.O.(P) No. 16/2018/Home dated 9th April, 2018 and published in the Kerala Gazette Extraordinary No. 1721 dated 27th June, 2018, Government have amended the Special Rules for Chemical Examiner's Laboratory State Service and *interalia* modified the qualification specified for "by transfer" appointment of Technical Assistants to Junior Scientific Officers and also re designated the category of 'Junior Scientific Officer' as 'Scientific Officer'.

As it has come to the notice of the Government that the present amendment would adversely affect the promotion prospects of Technical Assistants who were already in service as on the date of publication of the amendment rules, Government vide G.O.(Rt.) No. 3535/18/Home dated 1st December, 2018, exempted them from acquiring the higher qualification that was stipulated in the said amendment.

Meanwhile, the Kerala Public Service Commission published the ranked list for the post of Junior Scientific Officer on 26th November, 2018, in continuation to its earlier notification issued in 2015 and thereafter pursued the stand that in the absence of a saving clause to the contrary, only the amendments made to the provisions of the Special Rules shall apply to the ranked list after the date of publication of the amendment rules. To circumvent this issue affecting the future prospects of candidates who have been included in the published ranked list, Government have issued G.O.(Rt.) No. 2516/2019/Home dated 19th September, 2019, specifying that Kerala Chemical Examiner's Laboratory Service (Amendment) Special Rules, 2018 shall apply only to those fresh notifications that are issued after 27th June, 2018, ie, the date of publication of the amendment rules, by the Kerala Public Service Commission.

Accordingly, Government have decided to make consequential amendments in the Kerala Chemical Examiner's Laboratory Special Rules, 1997, in tune with the provisions of the aforesaid Government Orders.

The notification is intended to achieve the above object.
